1) Putting things in place.

We recognise all children participating in cricket (regardless of age, gender, race, religion, sexual orientation, ability, or disability) have the right to have fun and be protected from harm, in a safe environment.

We ensure individuals working within cricket at, or for, our club provide a welcoming, safe, and fun experience for children.

We provide an environment where the views of children, parents and volunteers are sought and are welcome on a range of issues. This will help us create an environment where people have the opportunity to voice any concerns (about suspected child abuse/neglect and/or about poor practice) to the Club Safeguarding Officer.

We adopt and implement the England and Wales Cricket Board (ECB) "Safe Hands – Cricket's Policy for Safeguarding Children."

We ensure all individuals working within cricket at, or for, the club are recruited and appointed in accordance with ECB guidelines and relevant legislation.

2) Having the Right People in Place.
